

## Cost rates of the MPA Braunschweig (Valid from 01.01.2025)

The following hourly rates apply for services within the scope of the processing of inspection orders by MPA Braunschweig:

- |                     |                                 |
|---------------------|---------------------------------|
| ■ Clerks, engineers | <b>140,- €</b> (tariff group 1) |
| ■ Technicians       | <b>110,- €</b> (tariff group 2) |
| ■ other employees   | <b>90,- €</b> (tariff group 3)  |

An hourly rate of € 160.00 is applied for processing inquiries with particular urgency and for activities of senior employees as experts.

For journeys with the company car, **€ 0.60** per kilometer driven is charged.

For journeys with the company bus/van, **€ 1.00** per kilometer driven is charged.

Costs for material consumed during the processing of the order and other expenses will be invoiced separately according to expenditure.

## Charges for general building authority test certificates

For the issue of general building authority test certificates (abP) for construction products in accordance with § 19 NBauO, the Civil Engineering Materials Testing Institute (MPA BS) charges fees based on the Lower Saxony Building Fee Regulations (BauGO).

The fee rates have been as follows since 2024-06-09:

- |   |                         |
|---|-------------------------|
| ■ for civil servants in category 2 from the second entry level and for comparable employees       | <b>€ 127 per hour</b>   |
| ■ for civil servants in category 2 below the second entry-level post and for comparable employees | <b>€ 107 per hour</b>   |
| ■ for civil servants in category 1 from the second entry level and for comparable employees       | <b>€ 88.00 per hour</b> |

Brunswick, 30 July 2024
